ART UNIT ~~2507~~ 2872

Art Unit: 2872

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest a rear view mirror assembly comprising a frame; a mirror supported by the frame and having a first mirror section and a second mirror section pivotally coupled to the first mirror section; a screw drive supported by the frame and having a first threaded surface; an arm having an inner arm end supported by the screw drive and extending outwardly to an outer arm end supporting the second mirror section, the inner arm end having a second threaded surface engaging the first threaded surface; an arm cam projecting from the outer arm end away from the second mirror section and defining a first cam surface; and a frame cam projecting from the frame toward the second mirror section and defining a second cam surface contacting the first cam surface, as recited in claim 6, lines 2-12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
